(c) The City covenants and agrees that it will pay or provide for the payment from time to time of all amounts required to be rebated to the United States of America pursuant to the Code. However, so long as this bond and the series of which it is one are held in book-entry form pursuant to the Bond Ordinance, the provisions of the Bond Ordinance governing such book-entry form shall govern repayment of the principal or redemption price of and interest on such bonds.

This bond is one of a duly authorized series of bonds of the City designated “Sanitary Sewer Revenue Bonds, Series 2005” (the “**Series 2005 Bonds**”), in the aggregate principal amount of \$_____ issued under and pursuant to and in full compliance with the Constitution and laws of the State of Nebraska, including the Charter of the City (the “**Charter**”), and Ordinance No. 18171 and all other ordinances amendatory of or supplemental to Ordinance No. 18171, including particularly Ordinance No. _____ (Ordinance No. 18171 and all other ordinances amendatory of and supplemental to Ordinance No. 18171, including Ordinance No. _____, being herein referred to collectively as the “**Bond Ordinance**”), duly adopted under such Constitution and laws, including the Charter, by the Council of the City. As provided in the Bond Ordinance, the Bonds are direct and special obligations of the City payable solely from and secured as to payment of the principal or redemption price thereof, and interest thereon, in accordance with the terms and provisions of the Bond Ordinance solely by (a) the proceeds of the sale of the Bonds, (b) the Revenues (as defined in the Bond Ordinance), and (c) all funds established by the Bond Ordinance, including the investments and income, if any, thereof, subject to the provisions of the Bond Ordinance permitting the application thereof for the purposes and on the terms and conditions set forth in the Bond Ordinance. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the registered owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the registered owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary (as defined in the Bond Ordinance) without its written assent thereto.

AMENDMENT OF SECTION 7.09 OF ORDINANCE NO. 18171

Section 5.01 Amendment of Section 7.09 of Ordinance No. 18171. Section 7.09 of Ordinance No. 18171 is hereby amended to read as follows:

Section 7.09. Senior Lien Bonds; Additional Bonds. (a) The City covenants and agrees that so long as any of the Bonds remain Outstanding, the City will not issue any additional bonds or incur or assume any other debt obligations appearing as liabilities on the balance sheet of the City for the payment of moneys determined in accordance with generally accepted accounting principles including capital leases as defined by generally accepted accounting principles, payable out of the Revenues of the System or any part thereof which are superior to the Bonds.

(b) The City covenants and agrees that so long as any of the Bonds remain Outstanding, it will not issue any Additional Bonds payable out of the Net Revenues of the System or any part thereof which stand on a parity or equality with the Bond unless the following conditions are met:

(i) The City shall not be in default in the payment of principal of or interest on any Bonds at the time Outstanding hereunder or in making any payment at the time required to be made into the respective funds and accounts created by and referred to in this Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default); and

(ii) The City shall have satisfied either of the following:

(A) The annual Net Revenues derived by the City from the operation of the System for the Fiscal Year immediately preceding the issuance of such Additional Bonds shall have been equal to at least 125% of the maximum annual Debt Service required to be paid from the Net Revenues in any succeeding Fiscal Year on account of both principal (at maturity or through a Sinking Fund Installment) and interest becoming due with respect to all Outstanding Bonds of the City, including the Additional Bonds proposed to be issued; or

(B) An Independent Consultant shall project that the annual Net Revenues to be derived by the City from the operation of the System for the Fiscal Year immediately following the Fiscal Year in which the improvements to the System, the cost of which is being financed by such Additional Bonds, are to be in use and operation, shall be equal to at least 125% of the maximum annual Debt Service required to be paid out of the Net Revenues in any succeeding Fiscal Year following such use or operation on account of both principal (at maturity or through a Sinking Fund Installment) and interest becoming due with respect to all Outstanding Bonds of the City, including the Additional Bonds proposed to be issued. In determining the projected Net Revenues for the purpose of this subsection, the Independent Consultant may adjust the Net Revenues by adding thereto any estimated increase in Net Revenues resulting from any increase in rates for the use and services of the System which, in the opinion of the Independent Consultant, are economically feasible and reasonably considered necessary based on projected operations of the System.

Additional Bonds issued under the conditions set forth in this Section shall stand on a parity with the Bonds and shall enjoy complete equality or lien on and claim against the Net Revenues with the Bonds, and the City may make equal provision for paying said Additional Bonds and the interest thereon out of the Revenue Fund.
